

LuxeMate 600 Laser

Elegant wireless laser desktop combo

Here is a new elegant wireless laser desktop combo from Genius; the **LuxeMate 600 Laser**. It's a trendy slim keyboard and a high resolution laser mouse, and is designed with reliability for much better PC use.

The keyboard has 12 quick access hotkeys that provide total media center control, internet browsing convenience and a Vista default Lock function to render maximum security for your PC. The keyboard has a polished finish to show its elegant style and has silver coated hotkeys to fit well with your PC monitor.

The mouse features laser technology to provide more surface coverage and enhances the smoothness of the cursor movement. Furthermore it also features the power saving technology to provide extended battery life of up to 8 months ;thus reducing money spent on battery purchases. The dongle receiver with a transparent finish highlights the the trendy design.

LuxeMate 600 Laser compliments various flat PC panels and adds more value to your working efficiency at an affordable price. For further inquiries, please contact our sales representative.
